

## Appointed Person

Duration: 1 Day Course

Cost: price on enquiry

This 1 day emergency first aid course is designed for those companies who have carried out a risk assessment and have decided no first aider is required.

All organizations as a minimum requirement must appoint a person to take charge of first aid arrangements including looking after first aid equipment and facilities and calling the emergency services when required.

There should be an appointed person available to take control of all first aid arrangements at all times when people are at work.

The course content will include:

- Responsibilities of the appointed Person
- Actions in an emergency
- Dealing with an unconscious casualty
- Breathing and circulation difficulties
- Cardio-pulmonary resuscitation (CPR)
- Airway obstruction
- Bleeding
- Other common illnesses and injuries

The course tutor will carry out an on-going assessment and all successful students will receive a certificate valid for 3 years.
